PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Courtesy Pays Off As Is Proven By The Students Of PHS

Courtesy Week, Oct. 9-13, was acclaimed by both students and faculty an outstanding success at Pahokee High School. The week came to a climax on Friday when a special courtesy program was presented during the assembly period.

Principal C. A. Canipe awarded prizes to the winner of the courtesy essay contest in which all students of both the senior and junior high schools took part and the most courteous students of the week were introduced.

The Beta Omicron Sorority gave a first prize of \$3 in the essay contest to Dickie Atkins, senior group (tenth, eleventh and twelfth grades), and to Phoebe Ann Ramey, junior group (seventh, eighth and ninth grades); also \$2 second prizes to Patsy Maxson, senior group, and Carol Carpenter, junior group.

Blue ribbons for honorable mention in the essay contest were received by Jeanette Mathis, Anna Lee Hurt, Richard Tillis, Dorothy Fields, Bobbie Freirson, Millard Stanley, Eleanor Walker, Lynn Shirley, Dolly Pope and Ann Atkins, senior group; also to Jackie Scruggs, Daisy Nell Miller, Arlene Raineri, Faith Brown, Jimmy Schoepel, Virginia Stamps, Betty Ann Echols, Billy Mims, Evelyn Vann, Dortha Rushing and Annette McIntosh, junior group.

Judges of the essay contest were Rev. Ralph W. Todd, John Sutterfield and Miss Ruth Dorsey.

Students chosen by their classmates as the most courteous during the week were Frank Rosenberg, 12th grade; Mary Punderburk, 11A; Leone Gamot, 11B; Leland Becon, 10A; Beatrice Johns, 10B; Bonnie Miller, 9A; Clifford Head, 9B; Linda Mills, 8A; Barbara Jean Miller, 8B; Betty Ann Echols, 7A, and Annette McIntosh, 7B.

Helen Tucker and Eleanor Walker gave brief talks on "Courtesy." Coach Jim Maynor spoke on "Courtesy on the Athletic Field." Joyce McCall and Ann Atkins sang a duet, "It's a Grand Old Flag," and Richard Tillis, a solo, "There's a Star-spangled Banner Waving Somewhere." Don Adams gave a reading, "Tribute to Old Glory." Robert DeLoach was master of ceremonies.

Auxiliary Plans A Food Sale Saturday

Do you like good home cooked pies and cakes, then don't miss the Bake Sale Saturday, Oct. 21, in Canal Point sponsored by the Canal Point American Legion Auxiliary, Unit 242. The sale will be conducted at the Sport Shop.

An informative program on the Education of War Orphans of Veterans will be scheduled at 3:45 p. m. Sunday over Radio Station WSWN. Won't you tune in to find out more of the work going on in your local American Legion Auxiliary?

Vegetable Men Will Meet Tuesday Night

The dinner meeting of the Everglades Branch of the National League of Wholesale Fresh Fruit and Vegetable distribution, scheduled to be held in the Travelers Restaurant at the Canal Point packing center Tuesday night, Oct. 17, was postponed because of the storm until Tuesday night, Oct. 24. Mr. Newlon of the Social Security office in West Palm Beach will be guest speaker and President John A. Dulany will preside. This will be the first meeting of the season.

Legion To Sponsor Bean Festival

Members of Fred and Percy Mansfield Post 90 at a meeting Monday night completed plans for sponsoring a bean festival in Pahokee Feb. 26-Mar. 3. A contract has been given to Kirkwood Shows to furnish entertainment for the festival.

W. C. Allen of South Bay, guest speaker, gave a talk on the work being done at the veterans hospital in Coria Gables.

The group made plans for an entertainment for the veterans at the hospital. It was announced the windows for the new Legion Hall have arrived.

Collier County Has Shortage Of Labor

Everglades-Collier County, the only county in Florida where unemployment compensation was drawn during 1949, is now beginning to worry about where to find workers to help harvest crops this fall, according to county agent Miller.

Larger and larger areas have been developed into truck farms and Miller says that at least 750 labvbers are going to be needed to handle crops this season. Farm labor is expected to be short around Lake Okeechobee where the U. S. Sugar Corporation will have a large cane crop and thousands of acres of truck crops are nearing the harvest period.

Cattle Project Is Started By Lions

The Pahokee Lions Club as a project raise funds has purchased 17 head of cattle at a cost of \$1,883.90, according to a report given by Lewis Friend, finance chairman, at the Tuesday luncheon meeting of the club. The cattle will be cared for and fattened for the market by individual members of the club.

M. P. Stanley, boys and girls work chairman, outlined plans for his committee to collect toys for distribution by the Red Cross.

The club, acting in conjunction with the Canal Point Lions Club, voted to draw up a resolution asking the U. S. Engineers to open the Lake Okeechobee levee road from Canal Point to Fort Mayaca for use as a detour route during the construction of State Road 15 between these two points.

Ten Million Will Cover Cost Of Blow In South Florida

Hurricane damage in Florida soared past \$10,000,000 Wednesday.

The storm left three dead, scores hurt and several hundred homeless.

It weakened as it sped up the length of the state Wednesday, and on into Georgia.

Hardest hit were Greater Miami and three little towns to the north in Broward county. They were battered by 106-mile winds Tuesday night.

The cleanup started before dawn Wednesday in Greater Miami. A crimson sunset glowed on an almost-normal tropicopolis.

But two-thirds of the city remained in darkness Wednesday night. Lack of electricity was the chief hardship of most Miamians. It meant their lights, electric refrigerators and stoves and radios wouldn't work.

Definite Plans To Be Made At Orlando Meet To Fight Fire

TALLAHASSEE—Governor Fuller Warren and State Treasurer J. Edwin Larson, who is simultaneously the state's fire marshal, both deeply concerned over Florida's mounting fire losses, have conferred and laid plans—definite plans—for curbing this menace which, directly or indirectly, affects the resources and economic structure of the state itself, to say nothing of the individual peril both to life and to personal effects. Warren, in his conference with Larson, minced no words in adding the increased grimness of the situation brought on by the national crisis, at which time potential firebugs would be more likely to add their "efforts" to the incendiary scene.

But conferring was not the gum and substance of the meeting, for, at Orlando, Oct. 25-26, the two will meet prominent state figures, chosen by Larson, to map out definite planning that will be handed on to municipal and county officials, towards cutting down on the appalling losses in properties and forest resources. General vice chairman of the conference will be Walter L. Hays, Orlando, who, as an insurance man, has intimate knowledge of the workings and results of fire. As president of the State Chamber of Commerce, Hays further has studied data that should be of inestimable value in his appointment.

Signey A. Singleton, also of Orlando, will serve as executive assistant, while Wallace Sturgis, Ocala, and B. Elliott, Pahokee, will complete the group.

A somewhat similar conference was held in 1948, with notable results in many urban centres, but apparently rural areas and thinly populated sectors have not yet become duly fire-conscious.

Mrs. Wilda Morgan was one of the speakers at the Linger Makeup Festival held in Orlando Saturday.

Mother Of Local Woman Dies In S. C.

Mrs. Long, mother of Mrs. C. A. Major of Pahokee, died at her home in Greenwood, S. C., on Oct. 17, according to word received here by friends. Funeral services were held at the Methodist Church in Greenwood on Thursday.

Mrs. Major plans to return to Pahokee within the next few weeks. She and Mr. Major will make their home in the Cochran Apartments this season. Her present address is Route 2, Box 337, Greenwood, S. C.

Eye Removed After Serious Accident

James H. Miller, of Canal Point, underwent an operation Monday morning at Jackson Memorial hospital in Miami, for removal of his right eye which was seriously injured on Oct. 9 in an accident on the Bryant plantation of the U. S. Sugar Corporation. Reports from his bedside are to the fact that he is recovering as nicely as can be expected.

The unfortunate accident occurred when Mr. Miller and other workmen were overhauling a cane loading hoist and a piece of steel inadvertently pierced his right eye ball. Every effort was made by radical science to save the eye but all efforts were in vain and the removal operation became necessary on Monday of this week.

Honey Producers See Record Yield

JACKSONVILLE—Florida honey producers expect a record production of 15,600,000 pounds this year.

The United States Department of Agriculture bureau here said in a report just released the figure would be about 35 per cent above the 1949 crop of 11,340,000 pounds and would exceed the previous record set in 1946 by 320,000 pounds.

Florida is fifth in honey-production being led in order by Minnesota, California, Iowa and Texas. Florida has 208,000 colonies of bees this year—a 10 per cent increase over last year.

Producers report about 72 per cent of the 1950 honey crop still on hand as of Sept. 15.

Charles Sears New Lion Student Member

Charles Sears, son of Mr. and Mrs. Harlan H. Sears of Canal Point, is the new student member of the Canal Point Lions Club. He is student in Pahokee high school and a member of the Senior Class. Charles has been a member of R. O. Lamps' high school band for several years.

Mr. and Mrs. A. D. Beverly and sons, Don and Max, have returned home after spending the summer in Mountain City, Tenn.

Paul Gilstrop and son, Michael, have returned to Atlanta, Ga., after a visit with Mr. and Mrs. E. L. Pope in Pahokee.

Glades Crops Are Wiped Out By 'Cane And Its Heavy Rain

It's the same old story! Hurricane and attending rainfall wipe out Glades crops.

This week's big blow was no different from the many that have gone before—except, maybe, that the Lake Okeechobee Region fared a little better this time than it has many times in the past. It seems that Miami and Miami Beach bore the brunt of the storm before it was slowed down by its movement over land.

Heavy plantings of fall crops had brought forth excellent growth and harvesting would have been under way in a few days—but, today the crops are a total loss with exception of plots here and there throughout the Lake area.

Florida farmers, cattlemen and grove owners counted their losses in the millions of dollars Thursday after a wet tropical hurricane swept a path northward through the peninsula.

Nearly 15,000 acres of early fall vegetables, valued at more than \$2,000,000, were almost completely destroyed. This included nearly the entire early planting in southeast Florida.

H. L. Speer, assistant county agent estimated that much of the 13,000 acres of crops around the shore of Lake Okeechobee had been ruined from wind and rain.

The entire planting of several hundred acres of vegetables in the Indiantown section of Martin County was reported to be a total loss. Damage to vegetable crops extended far up the east coast, including Fort Pierce section.

No losses of vegetable crops were reported from South Dade County, which missed the main force of the storm. None of this area had been planted, however, because they were already under water at the time the storm hit.

As soon as pumps can clear the land of water, and Old Sol has a chance to operate for a day or two—replanting will be started by a group of the most optimistic people in the world—Lake Okeechobee Region farmers.

Pahokee Wants Help To Clean Up Debris Left By Hurricane

Pahokee Mayor Lewis Friend and the City Council are calling for those that own trucks who would like to help clean up the storm wreckage to donate the use of a truck Saturday or Monday, Oct. 21 and 23. Please call the City Clerk's office if you can donate the use of a truck.

The city will pay your driver, furnish the Gas and hire extra labor for each truck.

Pahokee Citizens are asked to help by placing their wreckage as near the street as possible and where trees are blown down to cut them up so two men can handle them.

Lets all work and clean up our streets and yards.

Clyde Alley,
Pahokee City Clerk.

News Notes From State Capital

TALLAHASSEE—The burning issue of a post-season football game between the University of Florida and Florida State University is back in the lap of the board of control, which by regulation has prohibited such a meeting. FSU officials, boasting a fine team and a new stadium, are anxious to meet Florida. Their reception, they report, has been something less than enthusiastic. However, Athletic Director Howard G. Danford of FSU said his department felt both schools should request such a meeting and in view of the reluctance of Florida, a game this season has been crossed off the slate. The whole matter may come before the Board of Control at its next meeting.

TALLAHASSEE—Dade county newsdealers Supply Co. will be given a hearing in Miami October 20 by the Florida Railroad and Public Utilities Commission on the question of restoring telephone service. It had been disconnected under suspicion of bookmaking, and the company had applied for a hearing to try to prove the telephone would not be used for illegal gambling. Eight telephones were removed from the company offices last July 18. The commission also will hold a public hearing in Miami October 19 on proposed new taxicab rules, which would permit taxi companies serving airports to ap-

ply for master taxicab permits to serve several cities and rural areas as well.

TALLAHASSEE—Attorney General Richard W. Ervin this week gave his opinion on the following general subjects:

PINBALLS—Pin ball machines which do not dispense "free plays" are legal.

HOGS—State-wide no fence law applies to Flagler county in restraining hogs.

MILITARY—State guardsmen and reserve officers entitled to 17 days' leave for training, plus thirty days' leave when inducted into military service.

LABORERS—Legislature did not intend military leaves to apply to day laborers or casual workers for state, city or county.

COUNTY—County commissioner called to account military duty may be given leave of absence for balance of term, with temporary replacement appointed.

BUILDINGS—Former military property held by Council for the Blind may be transferred to another state agency with federal approval.

REGISTRATION—Age of elector may be corrected on registration books any time they are open.

MAPS—Counties may buy aerial maps, but under bid if cost is more than \$300.00.

TALLAHASSEE—The state improvement commission warned that federal cuts in hospital building grants may postpone new hospitals for some sections of Florida as much as two years. Robert H. Carter, head of the hospital planning division for the commission, said that this money must be spread out over 19 projects. Some may have to be slowed down or postponed.

TALLAHASSEE—It finally has been decided here that the question of Florida's views on World Federalism will not appear on November's ballot. A recent circuit court order prohibited Secretary of State Gray from putting the World Federalist sponsored memorial of the 1851 legislature to a vote, and Attorney General Richard Ervin says he will not appeal the decision to the supreme court.

Shirley Circle Has New Project For Year

The Gertrude Shirley Circle, First Methodist WSSC, at a meeting at the home of Mrs. Hugo Boe Monday night voted as a project for the year to assist throughout the year two families at the Pahoee white labor camp.

Named on the church floral committee for November were Mrs. Carmen Salvatore, Jr., and Mrs. Marvin Cowart, first Sunday; Mrs. Bob Hutton and Mrs. Clyde Alley, second Sunday; Mrs. E. F. McIlwain and Mrs. Sam Williams, fourth Sunday. A special group will be appointed later for the third Sunday. Mrs. C. A. Canipe explained "welcome stranger" plans for the year.

A review of the first three chapters of the mission study text "Rural Prospects," was given by Mrs. R. F. Hurt, Mrs. M. D. Conrath and Mrs. J. R. York, visitors from the Margery Lair Circle.

It was announced Mrs. R. W. Sanders will be hostess at the next meeting. Mrs. Boe assisted with the serving of refreshment by Mrs. Salvatore, co-hostess.

Annie Laurie Rogers Weds Elmer B. Justice

Miss Annie Laurie Rogers, daughter of Mr. and Mrs. John D. Rogers of Pahoee became the bride of Elmer Byron Justice, son of Mr. and Mrs. B. B. Justice, also of Pahoee, at a single ring ceremony held at high noon, Sunday, Oct. 18, in the Pahoee First Methodist Church.

The vows were read by Rev. Ralph W. Todd, pastor of the church, as the couple stood before the altar which was decorated with baskets of white gladioli against a background of palms. The altar rail was entwined with fern and the pews were marked by small white gladioli bouquets tied with white satin bows.

A program of nuptial music was presented by Mrs. William McClenathan, organist, and Mrs. J. W. Mullis, soloist, who sang "I Love You Truly" and "Because." Tom Watson, Jr., sang "The Lord's Prayer" as the couple knelt before the altar in prayer.

The bride, given in marriage by her father, wore an aqua tailored suit with white accessories and a white velvet off-the-face hat. She carried a white prayer book centered with a cluster of sweetheart roses and sprayed with white satin ribbons.

Miss Joyce Fields, maid of honor and the bride's only attendant, wore a bluish pink ensemble with white accessories and a corsage of white carnations.

Doyle Smith, of Belle Glade, brother-in-law of the bridegroom, was best man. John Rogers, Jr., brother of the bride, and Buford Justice, brother of the bridegroom, were ushers.

Mrs. Rogers, mother of the bride, chose a beige crepe ensemble with brown accessories and a corsage of yellow chrysanthemums and Mrs. Justice, mother of the bridegroom, wore a dusty rose crepe dress with white accessories and a white carnation corsage.

Following a short wedding trip to the East Coast Mr. and Mrs. Justice will make their home in Pahoee where he is associated with Crews' Supermarket.

Farm Production Nation's Strength

GAINESVILLE—Farm production is the base of the nation's strength, both in the armed forces and in industry, Florida's county and home demonstration agents were told Tuesday.

The farm program conducted by the Productive and Marketing Administration in co-operation with the agents is trying to meet the needs of the people, said R. S. Dennis, state PMA executive officer.

"It is not enough merely to protect our soil from being washed or blown away; our forests from becoming depleted; our water resources from being wasted; or our forage land from being denuded," he told a conference of agents.

Mrs. Graham Is New Member Garden Club

Mrs. E. J. Graham was received as a new member of the Hibiscus Garden Club at a meeting at the home of Mrs. J. S. Chastain Tuesday morning.

Mrs. Frank Friend, program chairman, and Mrs. H. M. McIntosh, president, gave talks on "Hibiscus." It was announced the next meeting will be at Mrs. Friend's home with Mrs. H. J. Clause assisting as co-hostess. There will be a covered-dish luncheon at this meeting and the program topic will be "Budding and Grafting" with Mrs. E. L. Pope and Mrs. C. T. Jackson in charge.

Mrs. E. L. Pope substituted as co-hostess for her mother, Mrs. J. V. Chastain who is confined at her home with injuries received in a recent fall.

South Broward May Halt Blue Devils Winning Streak

The undefeated Pahokee Blue Devils, with three victories and one tie to their credit so far this season, travel to Hollywood this Friday afternoon at 3:30 p. m. for a try at one of the biggest hurdles on their schedule, the powerful South Broward Bulldogs.

We may be using the adjective "undefeated" for the last time this season in referring to the fighting Blue Devils because Coach Jim Maynor, with three injured first string men, Bobby Peacock, Sidney Clouthers and Bobby Schroder, more or less on the sidelines, fears the Bulldogs will be two touchdowns better than the Devils tonight.

South Broward, playing top opposition all the way, has won games from Seabreeze of Daytona Beach and Andrew Jackson of Jacksonville and lost to Miami Beach and Fort Lauderdale, both undefeated teams. In Kickie Wise and John McMann, the Bulldogs have two backs that the Blue Devils will have plenty of trouble

stopping.

The Blue Devils continued their record of fine performances this season by walloping the Seacrest Hawks, 26 to 0, at Delray Beach last Friday night. Pahokee made two touchdowns in the first quarter when Ronnie May snatched one of Carney Wilder passes and crossed over after a 55-yard sprint and later Alfred Meeks intercepted a pass on the Hawk's 30 and scampered for another TD.

In the third quarter the Blue Devil drove from their own 26 to the Hawk's two where the ball was fumbled and recovered by Melvin Tillis across the goal line. In the fourth Tillis scooted around right end for 34 yards and another TD. Again as in previous games football fans were amazed at the holding power and fast charging qualities of the light Blue Devil line.

The team will be accompanied to Hollywood this evening by Robert O. Lamp's snappy Pahokee High School Band.

The first war correspondent was George W. Kendall of the New Orleans Picayune who covered the Mexican War.

NOTICE TO CONTRACTORS OFFICE OF THE STATE ROAD DEPARTMENT

Tallahassee, Florida, October 10, 1950
Sealed bids will be received at the County Court House Auditorium, Brooksville, Florida, from Qualified Contractors until 10:30 A. M. (E. S. T.) on the 31st day of October, 1950, for the construction of the following projects:

Federal Aid Project No. S-320 (1), Job No. 9375-250, and State Project, Job No. 9375-115; State Road No. 804, Palm Beach County, between a point approximately 4.6 miles west of State Road No. 808 and State Road No. 809. Work consists of grading; stabilizing the roadbed; constructing a 3' x 12' concrete base with Type 2 Surface Treatment, 22" wide; and incidental items. The net length is 1.432 miles. A certified check in the amount of \$6,500.00 will be required.

The minimum wage paid to all labor employed on the above contracts shall be \$1.00, \$0.75 and \$0.75 per hour, respectively, for skilled, intermediate and unskilled labor.

State Project, Job No. 9375-110, Road No. S-705, Palm Beach County between Road No. 7 and Road No. A1A. Work to consist of constructing a Limerock base with a Bituminous Surface Treated Pavement; construct five bridges totaling 330 lineal feet of concrete slabs on concrete pile bents; and incidental items. The length is approximately 6.069 miles. A certified check in the amount of \$10,000.00 will be required.

For each proposal a certified check in the amount stated above, must be payable to the Chairman of the State Road Department, with the necessary State's Documentary Stamps attached, must accompany each bid. All certified checks shall be certified within 60 days of the date for receiving bids. Cashier's checks will not be accepted. The checks of the two lowest bidders will be deposited.

All work to be done in accordance with the Plans, Specifications and Special Provisions of the State Road Department. Special attention is called to Special Provisions which will be furnished with each proposal. Proposals will be furnished to Qualified Contractors upon application to this office, FOR THE SUM OF \$5 EACH. Plans may be purchased from this office for the sum of \$5 for each set. No proposals will be issued unless requests for them are received by this office at least 24 hours prior to the time for opening bids.

All bids must show totals for each item and total amount of bid inserted on the cover of the proposal. The right is reserved to reject any or all bids.

Try this your stereoscope! on

When this "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

Automatic saving is sure saving—U. S. Savings Bonds

CHURCH OF CHRIST SCIENTIST

"PROBATION AFTER DEATH" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, October 22.

The Golden Text is: "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him" (James 1:12).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The man that wandereth out of the way of understanding shall remain in the congregation of the dead . . . He that followeth after righteousness and honour" (Prov. 21:16, 21).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Progress is born of experience. It is the ripening of mortal man, through which the mortal is dropped for the immortal. Either here

or hereafter, suffering or Science must destroy all illusions regarding life and mind, and regenerate material sense and self. The old man with his deeds must be put off. Nothing sensual or sinful is immortal" (296:4-10).

Simonson Circle Met Monday Night

The Mabel Simonson Circle, First Methodist WSCS, met at the home of Mrs. R. J. Schroder Monday night, with Mrs. Schroder in charge of the devotionals.

The group voted as its project of the year the registration of all local WSCS members in the annual Methodist Woman's Roll Call. Mrs. Duncan Padgett will be in charge of the project.

Mrs. O. D. Carpenter and Mrs. Arch Blakey were appointed in charge of arrangements for the fellowship dinner which the circle is sponsoring at the church on the evening of Oct. 25.

The "Rural Prospects" program was presented by Mrs. Arch Blakey, Mrs. M. P. Holman and Mrs. J. R. York.

Sunshine Pals Are Picked By Circles

A program on "Rural Prospects" was presented by Mrs. J. R. York, Mrs. R. F. Hurt and Mrs. M. D. Conrath at a meeting of the Margery Lair Circle, First Methodist WSCS, at the home of Mrs. G. V. Byrd Monday afternoon. Mrs. C. A. Canipe was in charge of the devotionals.

It was announced United Nations program will be presented by WSCS at the church Monday, Oct. 23, at 3:30 p. m. The group exchanged names with the Mable Simonson Circle for Sunshine pals.

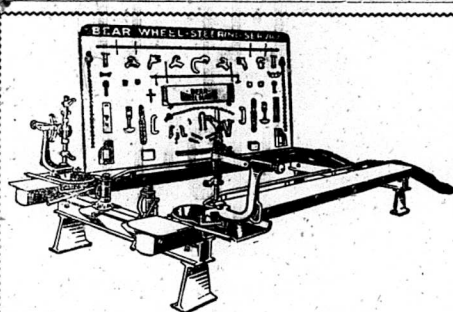

Three Clubs Postpone Their Meeting Dates

Three of the local garden clubs, Poinsettia, Ixora and Gardenia, scheduled to meet Tuesday, postponed their meetings because of the approaching storm. The Ixora Club will hold its meeting at the home of Mrs. Nola Smith Tuesday, Oct. 24, at 3 p. m. Mrs. C. M. Todd will be co-hostess and Mrs. John A. Dulany will present the program topic, "Ixoras," with demonstrations of Ixora arrangements. The meeting dates of the other two clubs have not yet been set.

Food Sale Planned Saturday In Canal Pt.

The Canal Point Legion Auxiliary announces a food sale for Saturday morning, Oct. 21 at the Sport Shop in Canal Point. A large amount of delicacies have been promised by members of the auxiliary for the sale, and purchasers are assured of something tasty for their money. The date is Oct. 21. Sale starts at 11 a. m.

Mr. and Mrs. O. B. McClure had as guests over the weekend their daughter, Miss Ruby Jane McClure, and Miss Lillian Greene, both of Miami.

Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

Churches Of The Glades

Homecoming Was Greatest Of All At University Of Fla.

GAINESVILLE — The 1950 Homecoming staged at Gainesville by the Alumni Association of the University of Florida was a record-smashing event. Every one attending conceded that this year's af-

fair topped them all.

Dignitaries were there in force including Governor Warren, Supt. of Public Instruction Tom Bailey, State Treasurer Edwin Larson, Attorney General Richard Ervin, Supreme Court Justice Alto B. Adams, United States Senator Spessard Holland, Major General J. A. Van Fleet, Senator Elect George Smathers, and countless others.

It was a gay and colorful week end with everybody thrilled and

everybody happy. Homecoming thrills reached their climax at the jam-packed stadium as a roaring crowd wildly cheered the Fighting Gators to four touchdowns and pounded its way to a 27 to 7 win over Auburn's Tigers.

Teenage Circle Is Plan Of Methodists

Members of the Miriam Circle, First Methodist WSCS, at a meet-

ing Monday night voted as a project for the year to sponsor the organization of a new circle for teenage girls of the church.

The meeting was held at the home of Mrs. J. T. Boynton, with Mrs. Jack Phillips assisting as co-hostess and Mr. R. B. Simonon presiding in the absence of the president, Mrs. Leon Spooner.

The "Rural Prospects" program was presented by Mrs. D. W. Cunningham and Mrs. Leo Maxwell. Mrs. Adaline Stuckey announced

plans for observing a week of prayer and was in charge of the devotionals. It was announced the next meeting will be at the home of Mrs. D. W. Cunningham.

Mrs. Melvin Spooner was in charge of the entertainment during the social hour.

BIG DIVIDENDS

Who Runs America?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of
Women's Clubs
American Farm Bureau
Federation
National Grange
Veterans of Foreign Wars
National Conference of
Catholic Charities
American Protestant
Hospital Association

American Legion
National Association of
Small Business Men
United States Chamber of
Commerce
National Association of
Retail Grocers
National Retail Dry Goods
Association
American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind.
Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!

IN MEMORIAM

Whereas, It has pleased the Grand Master of the Universe in his infinite wisdom to remove from among us our esteemed friend and Brother

Jesse Samuel Walton

Whereas, We feel that by his demise we suffer the loss of a faithful member of our fraternity and the community at large an honored and upright citizen, one who was beloved by all who knew him.

Be it Resolved: That for the purity of his life, the cheerfulness of his presence, the uprightness of his character, the kindness of his dealings with others we shall hold him in loving remembrance as an example worthy of our emulation.

Resolved, That while we mourn for him as a friend and Brother our sorrow is lessened by the knowledge of his well spent life which presages his triumph over death, and we are led to exclaim Blessed are the dead who die in the Lord.

Resolved, That we, the officers and members of this lodge, extend our heartfelt sympathy to the immediate relatives and friends in their great sorrow over the departure of a life so useful and commend them to Him who doeth all things well.

Resolved, That these Resolutions be placed on the records of the Lodge, and a copy presented to the sorrowing relatives of our deceased

Brother.

Given under hands and seal of Everglades Lodge No. 211 F. & A. M. this 10th day of October A. D. 1950 A. L. 5850.

Franklin G. Gillis,
Worshipful Master
Samuel J. Baggett,
Secretary.

Mary Martha Circle To Sponsor Sale

The Mary Martha Circle, First Methodist WSCS, at a meeting at the home of Mrs. J. G. Thomas, Jr., Monday night made plans to sponsor a rummage sale in November, proceeds to go toward financing a worthy project during the year. Mrs. Ernest Maxwell, chairman, reported net proceeds of \$31.50 from the bake sale recently sponsored by the group.

It was announced Mrs. Canipe's mother, Mrs. Donnell of West Palm Beach, will be guest speaker at the special program to be held at the church Monday afternoon in observance of week of prayer.

Mrs. L. J. Fraser reviewed four chapters from the mission study text, "Rural Prospects." It was announced the next meeting will be at the home of Mrs. Robert Walker, with Mrs. George Ramey, co-hostess. Mrs. Ruth V. Meredith, WSCS president, was a visitor.

Week of Prayer Be Observed Next Week

The Pahokee First Methodist Woman's Society of Christian Service will observe a week of prayer and self denial with two special programs at the church next week.

On Monday, Oct. 23, at 3:30 p. m. a United Nations program will be presented by Mrs. E. J. Graham. Mrs. Donnell of West Palm Beach will be guest speaker.

Another program will be presented during the midweek prayer service Wednesday night, Oct. 25, with Mrs. C. A. Canipe in charge. Taking part will be Mrs. R. B.

Simonson, Mrs. Ruth V. Meredith, Peggy Lynn Shirley, Corrine Collins and Annette McIntosh. Special music will be presented by a group of singers from the Vesper Choir. This program will be preceded by a covered-dish supper in the social hall.

Harlene Williams and Charlotte Cate, pupils at Rosarian Academy, West Palm Beach, visited their parents in Pahokee over the weekend.

Tina and Tommy Handley have returned home from the Everglades Memorial Hospital where they recently underwent tonsillectomies.

DODGE

"Job-Rated" 1/2-ton PICK-UP

You can turn in less space!

Extra-easy handling! You can turn your Dodge "Job-Rated" 1/2-ton pick-up in a short, 38-foot circle. Thanks to cross-steering, wider front tread and shorter wheel-base you can maneuver quickly, park on a dime. And for easier driving you have steering column gearshift and smooth Synchro-Shift transmission.

"Job-Rated" ... for low cost transportation

POWER: ... 8 great truck engines—each "Job-Rated" for PLUS power.

ECONOMY: ... priced with the lowest, "Job-Rated" for dependability and long life.

BIGGER PAYLOADS: ... carry more without overloading axles or springs because of "Job-Rated" WEIGHT DISTRIBUTION.

EASIER HANDLING: ... sharp-

er turning! Parks in tight places. "Job-Rated" maneuverability!

COMFORT: ... widest seats—windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.

SAFETY: ... finest truck brakes in the industry ... hand brake operating independently on propeller shaft on all models—1/2-ton and up.

You get more load space.

Dodge offers you the biggest body of any of the three leading 1/2-ton pick-ups! You get 44.18 cu. ft. capacity at "water level" in solid, all-steel construction—with seasoned hardwood floor and steel skid strips.

Widest seat and biggest windshield!

More seat width and greater windshield area than in any popular 1/2-ton truck! Plenty of shoulder-room, legroom and headroom for three big men. Better visibility for safer, easier driving. Safety-steel cab has adjustable "Air-O-Ride" seat cushions. Vent wings and rear quarter windows available.

The ONLY Pick-up to offer you FLUID DRIVE!

Another big plus, available only on Dodge "Job-Rated" 1/2-, 3/4- and 1-ton trucks! Gyrol Fluid Drive cushions engine power, reduces wear and tear on over 80 vital parts. Takes the jerk, jolt and skid out of starting. Smooth operation makes handling easier, cuts upkeep, increases truck life. Ask us for interesting Fluid Drive booklet.

Come in today... for a good deal!

With all their extra value **DODGE "Job-Rated" TRUCKS** are priced with the lowest
